In Da Lu there is an exam. As long as one fails to pass it, one wouldn't be able to advance.
The College Entrance Exam
It's just like an axiom, a belief; it's a problem rooted deep in the hearts of men.
Everyone thinks that they have to take the exam, because without it, you can't go to college.
If so, mankind has no way out other than conforming. Everyone has to take the exam, everyone has to study, and the exam will require them to pour everything they can muster, all of their body and mind alike.
Parents will pressure their children by giving them more and more books to study, they would also be pressurized by schools as they're representing their school's image.
This current College Entrance Exam's system forces everyone to study and prepare for the exam. Other than that, it also causes many significant issues within the family, as well as in school. Suicide, murder, group crimes and other such incidents would happen on a regular basis.
During the 100 years this system has been regent, severe losses were sustained by many due to this exam.
In order to cope with such harsh education and exam systems, Da Lu's students gradually started dividing, and fell into either of two categories:

The first type, S Division (Learning)

CONSISTING MOSTLY OF PEOPLE WHO FOLLOW THE RULES. THEY CHOOSE TO WORK HARD, AND THEY STUDY ASSIDUOUSLY AND TIRELESSLY. IN ORDER TO GET THEIR DESIRED SCORE, THEY DEVOTE THEMSELVES TO STUDYING FROM A YOUNG AGE. THEY EVEN TAKE EXTRA CLASSES. THEY INVEST ALL OF THEIR TIME, YOUTH AND ENERGY INTO PREPARING FOR THE EXAM

The second type, C Division (Cheating)

ANOTHER GROUP OF EXAMINEES. THIS GROUP WAS BORN SLOWLY, AND FEW ARE PART OF IT. IN ORDER TO PASS WITH GOOD GRADES THEY'VE CHOSEN TO STUDY ANOTHER SET OF SKILLS. THEY CHALLENGE THE STRICTEST EXAM PROCTORS AND THE MOST ATTENTIVE MONITORING. THEIR TECHNIQUES ARE SECRETIVE, THEIR STRATEGIES BRILLIANT. DURING THE EXAM THEY USE PERFECT CHEATING METHODS SO THAT THEY WILL NOT BE SEEN

THIS STORY IS A WORK OF FICTION, ANY SIMILARITIES TO PEOPLE, GROUPS, AND HISTORICAL EVENTS ARE MERELY A COINCIDENCE. CHEATING ISN'T GOOD, SO PLEASE DON'T DO IT. READERS UNDER THE AGE OF 12 SHOULD BE UNDER PARENTAL SUPERVISION.
